

## **Fantasy Drawing - CLASS DESCRIPTION/SUPPLIES**

Level: 1, Age requirement: All, Prerequisites: Drawing 101, Color Pencil 101.

### **DESCRIPTION:**

Student will be allowed to stretch their imaginations in order to create creatures, Anthropomorphic Art, Super Hero's, Dreamscapes and Future Science Conceptual Art

### **OBJECTIVES:**

Students will refer to various pictures of their preference. We will discuss type of environment, climate, textures and styles of their masterpiece. They will be instructed to avoid horror scenes, witchcraft or demonic graphics and symbols or scary bloody images. They will be encouraged to pursue a healthy God given imagination.

### **SUPPLIES:**

The school supplies pencils and Bristol board for exhibit display. However, student need to bring color pencils and mattes for their final projects. If they have other tools, pens or supplies they want to use I am ok with that.

### **WHAT TO EXPECT:**

Student will learn a deeper appreciation of our world and God's creation. They will also stretch their imaginations. They will share in a bonding of friends with the same interest and ideas. They need to show their work matted in the MSOA exhibit.

### **CODE OF CONDUCT:**

Students will not be graded; however, they will be evaluated by their ability to follow directions and complete the work required.

### **HOW TO SUCCEED:**

To be successful in this class students must be willing to experiment freely with color, textures and complete all exercises. They will need to be focused and have a plan for a creature, scene or theme in mind.
